Compensation Plan

2022 - 2023

Purpose

The purpose of this Compensation Manual is to communicate the District's Annual Compensation Plan for all District employees.

The Annual Compensation Plan includes wage and salary structures, stipends, benefits and incentives. The plan supports District goals for hiring and retaining highly qualified employees.

The Compensation Plan includes three job classifications: Administrative/Professional, Clerical/Technical and Manual Trades. Every job classification includes multiple pay grades to provide growth opportunities for employees in all job classifications. Within each pay grade we have determined a minimum, midpoint and maximum rate of pay to compensate for employees based on their creditable years of experience and job-related skills.

The Board of Trustees shall approve the Compensation Plan as part of the annual budget development process. In addition, the Board shall determine the total compensation package for the Superintendent in conjunction with the approval of the Superintendent's employment contract.

Salary Structures

Teacher Hiring Scale

The Teacher Hiring Scale is used for the initial placement of teachers, nurses, librarians and instructional coaches/facilitators. The placement is based on the number of years of creditable service as specified in the TEA Commissioner's Rules on Creditable Years of Service (TAC 153.1021) and Minimum Salary Schedule for Certain Professional Staff (TAC 153.1022).

The total years of creditable service must be verified by receipt of a Teacher Service Record or other acceptable documentation.

The Teacher Hiring Scale includes additional annual compensation for a Master's degree. An employee placed on the Teacher Hiring Scale shall be entitled to additional compensation for their highest advanced degree earned after submitting an original, certified transcript.

Mid-Point Salary Schedule

The Mid-Point Salary Schedule shall be used for the initial placement of all employees other than teachers, nurses, librarians, and instructional coaches/facilitators. And, the schedule shall be used to determine annual salary increases by applying the percentage increase, if any, to the midpoint salary.

The Mid-Point Salary Schedule includes three Job Classifications: Administrative/Professional, Clerical/Technical and Manual Trades.

All employees categorized as "exempt" under the Fair Labor Standards Act (FLSA) shall be placed on the Administrative/Professional Job Classification and shall be paid from a Professional Salaries account (object code 6119). All employees placed on this pay scale shall meet the FLSA tests including salary level, salary basis and job duties test, as appropriate.

All employees placed on the Clerical/Technical and Manual Trades Job Classifications shall be categorized as non-exempt under the FLSA. Non-exempt employees shall be subject to the FLSA regulations including: Minimum Wage, Overtime, Recordkeeping and Child Labor Laws.

Substitute Employee Pay Schedule

The Substitute Employee Pay Schedule shall be used to compensate employees categorized as "substitute". Substitutes, who are TRS retirees, shall be defined as determined by the Teacher Retirement System of Texas (TRS).

Substitute employees include: Substitute teachers, aides, custodians, food service, etc.

Stipends & Extra Duty Pay Schedule

The Stipend & Extra Duty Pay Schedule is used to compensate professional staff for extra assignments and/or extra duty beyond the normal workday or duty calendar.

Stipends are defined as a flat amount that is paid to a professional employee for performing a specific assignment such as sponsoring an event, coaching a sport, or leading a group such as a Team Leader or Department Head. If an employee does not complete the full year stipend assignment, the stipend shall be prorated to compensate for the portion of the assignment verified by the immediate supervisor as complete.

Stipends will generally not be paid to non-exempt staff. In the event that an exception is made due to extenuating circumstances, the District shall ensure that the non-exempt employee's stipend complies with the Fair Labor Standards Act (FLSA). Extra duty pay may be paid to a non-exempt employee in accordance with this pay scale. The extra duty pay shall be combined with the base pay earnings to determine overtime pay, if any, using the weighted overtime calculations.

Every duty pay is divided as a rate of pay, either hourly or daily, for performing duties beyond the normal work schedule such as tutoring, attending professional development, etc.

The District has 3 incentive programs as noted below. Details of each program are included in the Exhibit Section.
