2026-2027 Teacher Incentive Allotment (TIA)

The Teacher Incentive Allotment (TIA) was created by the Texas Legislature as part of House Bill 3. Its purpose is to provide a financial incentive to help attract and retain highly effective teachers at traditionally hard-to-staff schools.

Eligibility for TIA Designated Teacher
<p>Eligibility information may be found on the Texas Education Agency (TEA) website: https://tiatexas.org/</p>
Performance Pay: Teacher Incentive Allotment (TIA)
<p>For any funds received by Runge ISD for a designated teacher under the Teacher Incentive Allotment (TIA), 90% percent will be paid to the designated teacher. The remaining 10% will be used for training and supporting the system, expansion of the system, administrative expenses, and professional development.</p>
<p>TIA compensation stipends will be eligible for use when calculating retirement benefits for TRS-eligible staff. Employees are responsible for paying both the employee and employer benefits and tax costs over what TIA funding covers. Actual TIA compensation amounts distributed will include deductions for federal income tax, Medicare tax, and TRS contributions as part of an employee’s annual wages reported to the state and federal governments and the Teacher Retirement System (TRS).</p>
