Runge ISD Families,

The safety of our students and staffuly remains our top priority. Today, a student at Runge High School made a poor choice in language and issued a threat of violence against the school. The student was immediately searched by campus administration and our School Resource Officer, and the Karnes County Sheriff's Department was notified. The student has been removed from campus.

Runge ISD will not tolerate any threats made toward our district, regardless of intent. While individuals are free to choose their words, they are not free from the consequences of those choices.

We appreciate your partnership in reinforcing with students the importance of responsible communication and maintaining a safe learning environment for all.

Educationally Yours,

Hector O. Dominguez, Jr.
Superintendent
