January 23, 2024

Yellowjacket Nation,

I am pleased to inform you that Runge Independent School District has successfully passed the Texas Education Agency (TEA) Intruder Audit, demonstrating our commitment to ensuring the safety and security of our students, staff, and visitors.

This morning a TEA Intruder attempted to gain access to Runge ISD. The Intruder was immediately intercepted by Deputy John Brynelsen of the Karnes County Sheriff's Department.

The TEA Intruder Audit is a comprehensive assessment that evaluates the effectiveness of our safety protocols and measures in place to respond to potential security threats. I am proud to share that Runge ISD has not only met but exceeded the required standards set by the TEA.

Key highlights of our successful TEA Intruder Audit:

- 1. Emergency Response Protocols:** Our school has well-defined and practiced emergency response procedures that align with the Texas Education Code. These protocols are regularly reviewed and updated to ensure their effectiveness.
- 2. Security Measures:** We have implemented robust security measures, including controlled access points, surveillance systems, and communication tools that enhance our ability to monitor and respond to any potential intruder situation.
- 3. Staff Training:** Our faculty and staff are trained regularly on security procedures and drills, equipping them to handle emergencies with professionalism and efficiency.
- 4. Collaboration with Law Enforcement:** Runge ISD maintains a strong partnership with local law enforcement agencies to facilitate a coordinated response in the event of a security threat.

We understand the importance of creating a safe and secure learning environment for your children, and we remain dedicated to continually improving our safety measures. The successful completion of the TEA Intruder Audit is a testament to the collaborative efforts of our school community.

Educationally Yours,

Hector O. Dominguez, Jr.
Superintendent
