Dear Parents and Guardians,

We want every child to start their school day feeling prepared, confident, and ready to learn! One of the best ways to make that happen is by making sure they arrive at school on time each morning.

Breakfast is served from 7:30 to 7:50 a.m. Students who arrive after 7:50 will be marked tardy and will not be able to eat breakfast at that time, as breakfast service will be over. A healthy breakfast and a prompt start to the day help set the tone for a successful day of learning.

When students arrive on time every day, they are able to:

- Eat breakfast and fuel their brains for learning
- Participate in the full lesson from the very start
- Stay on track with their classwork and assignments
- Build consistent routines that lead to success

We appreciate your partnership in ensuring your child is here, on time, every day, so they can receive all the instruction they need to grow academically and thrive socially. Your support makes a difference—not just for your child, but for our entire school community.

Thank you for helping us give every student the best possible start to their school day. Together, we can make this year a great success!

Thank you,

Stephanie Jones
